## THE FREEDOM TO SPREAD THE COST

with our fixed price Service Plans

**Our fixed price Service Plans cover so much for such a small monthly outlay, they really make a lot of sense, giving you the reassurance that your SEAT servicing is budgeted for – and that your car is in safe hands, with people who love it as much as you do.**

A Service Plan can start at any point in the service cycle and will free you from paying an up-front deposit. Should you decide to sell your car, you can transfer a Service Plan to a new owner, once all the payments have been made - but not to another car.

Choose the plan that fits your SEAT whether it's a new car or used car.

### TRANSPARENCY

You can easily plan your car's service requirements and either pay for the Service Plan in full or spread the cost monthly. It's worry-free and ensures that you're taking the best care possible of your car, today and tomorrow.

### QUALITY

We're committed to quality. So you can be sure your car will benefit from all the care and expertise that only a SEAT Dealer with SEAT-trained technicians can deliver.

### SAVINGS

There's no better way to enjoy peace of mind whilst you care for your car.

- / Protection from inflation – price is fixed for 18/24 monthly payments
- / Residual value enhanced with a SEAT stamp in the service book
- / Plan is transferable, when fully paid, to another owner
- / No tie-in with a specified dealership, choose any SEAT Dealer from the nationwide network
