ACCESSORY FUNDING

When you purchase a SEAT car on finance from SEAT Finance you can include the cost of accessories on your SEAT Finance agreement (subject to status) and spread the cost over the period of your loan. The examples below show the costs of a new Ibiza 1.4 SE 5 door and Leon 2.0 TDI SE (with optional metallic paint) funded on SEAT Finance Solutions. Each example shows the cost of a standard vehicle and the additional cost on Solutions when the vehicle is fitted with a SEAT accessory pack.

This demonstrates the affordability available with Solutions; so go ahead and make the car your own; customise it with official SEAT accessories today.
